In the Matter of:

APPLICATION OF THE R. A. WILLIAMS)
DEVELOPMENT CO., INC. D/B/A)
CEDARBROOK TREATMENT PLANT FOR THE) CASE NO. 2008-00042
APPROVAL OF THE PROPOSED INCREASE IN)
RATES FOR WATER SERVICE)

REQUEST FOR EXTENSION OF TIME TO RESPOND TO STAFF REPORT

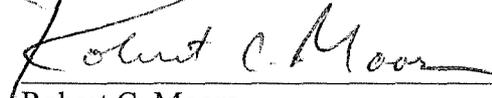

Comes Cedarbrook Utilities, LLC, by counsel, and, in the event the Public Service Commission (“Commission”) grants its Motion to Intervene filed in the above-styled action, hereby requests that it be given through and until Tuesday, April 22, 2008, within which to submit its response to the Staff Report concerning the subject Application for Rate Adjustment for sewer rates. This seven (7) day extension will allow Cedarbrook Utilities, LLC sufficient time within which to carefully review the Staff Report which recommends reducing the rate of \$62.00 per month initially proposed by Staff to a new rate now proposed by Staff of \$46.40 per month, and to provide comments to same. This extension will not unduly delay the resolution of this application, and will allow the entity that may ultimately be the owner of the Cedarbrook subdivision WWTP to provide comments on whether the proposed rate will adequately fund the operation of the subject WWTP. In the event that the Motion to Intervene filed on behalf of Cedarbrook Utilities, LLC is granted, but its Request for an Extension of Time is denied, Cedarbrook Utilities, LLC requests that an Informal Conference be scheduled in this case, and may request a formal hearing.

Respectfully Submitted,
